We welcome our new neighbor with open arms. It sure is a treat to get a real live chain store as close to you as this nationally known and originator of the 5c-10c-15c idea of merchandising will be to us. We are glad you are here.

This city is very fortunate that Woolworth have selected such a live and up-to-date a manager as Mr. Parker. You take this tip from the writer—this man Mr. Parker can and will work. You may not all know this—over 50% of the success of even as large an organization as Woolworth's depends on the local manager.

The entire resources of this store will be used to help make this event something for this city to be proud of. We want to show outsiders and other cities what co-operation of efforts can and will do if used in the right way.

We will offer you the bulk of our \$50,000 Stock at Cut Prices. Profits will be forgotten for this occasion.

YARD GOODS

The wise boys up in the big city gave the writer the third degree when we bought silk in 60 yard pieces for Torrance. One thing they did not know that we have a lot of customers in our Redondo stores that will buy silks in \$10, \$15 to \$35.00 lots when we pick some real bargains. Some of the prettiest costumes worn by some of the most prominent brides of Redondo, Hermosa and Manhattan Beach have been purchased at our stores. We offer you the same values—**SILKS**—
